

Making A Custom Bathroom Funny Emergency Toilet Paper Holder Wall Art 3d Sculpted Painting DIY

Making A Custom Bathroom Funny Emergency Toilet Paper Holder Wall Art 3d Sculpted Painting DIY is as simple as finding an old christmas decoration at a yard sale and turning it into art.

ADDITIONAL THOUGHTS

For this project I involved krylon spray paint, the booth I made, tiger eye stones, a silhouette vinyl cutter, an illustration I made myself in Adobe Illustrator which I converted to a suitable artwork for cutting, alimalite resin, superglue, modpodge, a 3d printer and some filament, fusion 360 to model the parts in, and a very patient spouse who approved of hanging this in the front bathroom that guests will see.
