

Make Your Own Alcohol Inks With Sharpies from 5Below - Easy & Fun DIY

Make Your Own Alcohol Inks With Sharpies from 5Below - Easy & Fun DIY. This is the third and final alcohol inks video - our DIY Alcohol Ink Finale - Make Your Own Inks For Half The Store Price! We had so much fun in the last project - we had to make these improvements.

What you need: bottles without necks and with lids, 99 percent alcohol, gloves to protect your skin, sharpies (mine were only 5 bucks a pack from 5 below) an exacto knife !! get help from an adult if you are going to try this, OK!! a pair of scissors and lots of time. This project is a hurry and wait kinda deal, 60 hours or so and only 5 or 6 of them involved action from me, the rest were waiting...
