

## Scrolls Portrait for my Sister

I made a portrait of my mother on the scroll saw as a gift for my sister. Its a tribute to our mother. I have cut this pattern for my father as well. This is the second portrait I have cut on the saw, both of them gifts for my family and both of them of mom. The cold weather has kept me out of the workshop, but this has been a goal since October and I am glad to finally get there!
