

## IsoTunes Pro Noise Isolating Earbuds OSHA Block Noise

I am unboxing my new IsoTunes Pro Noise Isolating Earbuds. This is not a full review, just the unboxing, and first impression. I saw several DIY creatives using them so I wanted to try them out. Since I am working with band saws, power tools, and loud items, earing and eye protection are so important. These look awesome and it will be nice to use something besides my HFT specials (large red earmuffs).
