

Yes! Porter Cable Scroll Saw Unboxing, Assembly and First Use - will make things so much better!!

I recently purchased a PORTER-CABLE 1.6-Amp Variable Speed Scroll Saw, Item # 432508 Model # PCB375SS from Lowe's.

Space in my shop is very limited - the fact that it has its own stand is a HUGE benefit. It has some seriously powerful aspects like tool-less blade changes, takes both pinned and pinless blades, a large cutting surface, and work light, you can grab one for under 200 dollars!
