

Wow! Craftsman Router and Table Unboxing, Assembly and First Use - easier than I thought and fun!!

I recently purchased a Craftsman ROUTER & ROUTER TABLE COMBO, Item # 37595. I unboxed it, and Tall Girl Sydney and I assembled it. I tested it on a resin and wood art piece, and on a resin piece for the first use. I am using Harbor Freight router bits. I will need to purchase more bits definitely!

## **\*\*ADDITIONAL THOUGHTS\*\***

When I tried it on resin, the bit was much more aggressive and I could feel it pulling in. I think I need much more practice! Also, the resin makes a mess. Next time, I a plan on wearing a respirator!
